ABOUT OUR COMPANY

HOW DID IT START?

In 1985, **Interglobe Business Concern** was born, led by the visionary Mr. Debesh Bharati. We began by supplying ITC Ltd. Munger, Bihar and soon expanded across West Bengal and Uttarakhand committed to delivering exceptional quality and service across India. Our dedication attracted multinational giants like Hindustan Unilever, PepsiCo, Berger, L&T among others. For over three decades, we've thrived, driven by our unwavering motto: "**Quality is our motto and service is our commitment.**" As we continue our journey, we invite you to join us in pursuing excellence and embracing a future full of possibilities. Thank you for being a part of our story.

Shreeji Enterprises, a sister company, specializes in the bulk supply of plywood, boards, and associated materials, ensuring reliable quality and service.

EXCELLENCE IS OUR STANDARD,
AND INTEGRITY IS OUR
CORNERSTONE.

WHY PARTNER WITH US

VISION

Customer satisfaction and service reliability are the cornerstones of our business. We deliver customized, competitively priced industrial solutions so your operations run smoothly without the disruption of unplanned breakdowns. Backed by four decades of hands-on industry experience, we're expanding our capabilities through IBC 2.0 bringing collaborative robotics, precision laser systems, and AI-based fire detection technology into our core offering. This lets us support clients not just with reliable sourcing, but with the next generation of industrial safety and automation tools, as their operations evolve.

OUR SUCCESS

Interglobe Business Concern boasts a long track record of operational success and has amassed a wealth of valuable knowledge and expertise. Today, we proudly collaborate with renowned companies, consistently delivering exceptional service that exceeds expectations.

RAPID PROBLEM-SOLVING

At our service, we prioritize ingenuity alongside efficiency. In instances of urgency and unavailability of a specific product, we excel in providing innovative substitutes, ensuring uninterrupted workflow and minimizing wait times for our valued clients.

& MANY MORE

PRODUCT OVERVIEW

ABOUT THE PRODUCT

Material Handling & Lifting

EOT cranes, forklifts, chain pulley blocks, wire ropes, bulldozers & dumpers

Hydraulics, Pneumatics & Compressors

Cylinders, actuators, valves, fittings, reciprocating & rotary compressors

Safety, Fire & PPE

PPE kits, fall protection, fire extinguishers, alarms, sprinkler systems

Imported Chemicals

Crude glycerin, crude phenol, ethyl acetate

Power Transmission & Motion

Belts, bearings, electric motors, hydraulic & pneumatic pumps, drives

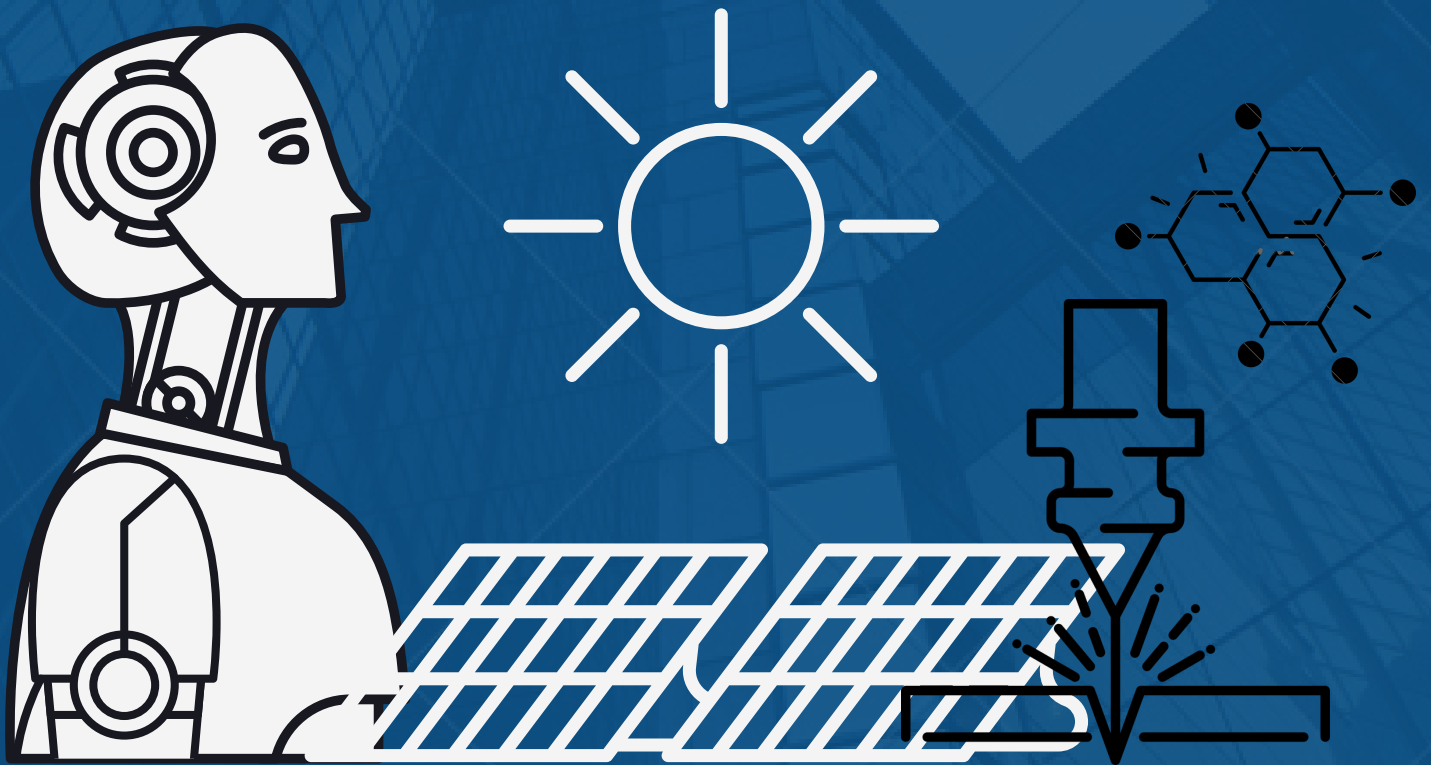

Fasteners, Structural & Sealing

MS/SS sections, HT bolts, hoses, rubber seals, gaskets, magnets

** Not an exhaustive list - we offer customized sourcing solutions tailored to your specific business needs.*

INTERGLOBE BUSINESS CONCERN 2.0

At Interglobe 2.0, we're revolutionizing industries with next-gen technologies! From **collaborative robots and precision laser systems to state-of-the-art welding machines and energy-efficient solar inverters**, our advanced portfolio is designed to supercharge productivity, sustainability, and innovation. We are on a mission to empower businesses with smarter, faster, and greener solutions, ensuring they stay ahead in a rapidly evolving world. Partner with us to shape the future of manufacturing and energy transformation!

PRODUCT PORTFOLIO

INDUSTRIAL AUTOMATION SOLUTION

• COLLABORATIVE ROBOTS

TYPES :

Collaborative Robots

APPLICATION :

It treamline welding, palletizing, assembly, and material handling.

USAGES :

It enable efficient, user-friendly automation without complex programming.

**For additional details, feel free to reach out to us directly.*

• AI-Driven Multi-Sensor Fire Detection System

TYPES :

Artificial Intelligence based
Advance Fire Detection System
for Open Spaces

APPLICATION :

Ideal for open areas like factories,
railways, warehouses, and large
facilities.

USAGES :

Provides real-time monitoring and
rapid fire detection using AI-
powered multi-sensor analysis.

PRODUCT PORTFOLIO

LASER MACHINES

- **LASER WELDING MACHINE**

TYPES :

Laser Welding Machine

APPLICATION :

It is used in automotive, aerospace, electronics, and manufacturing industries for precise, high-quality welding of metals and alloys.

USAGES :

Fast, precise, and clean welding of components with minimal heat distortion and high-strength joints.

- **LASER CUTTING MACHINE**

TYPES :

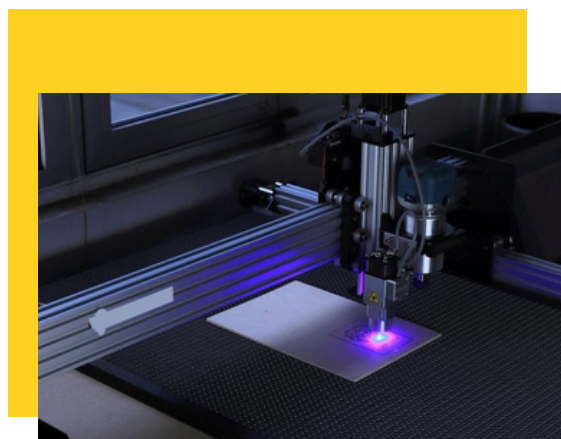

Laser Cutting Machine

APPLICATION :

Used in automotive, aerospace, and metal fabrication for precise cutting of materials like metal, plastic, and wood.

USAGES :

Precise cutting, engraving, and etching of materials, providing fast, accurate results with minimal heat impact and material waste.

PRODUCT PORTFOLIO

CHEMICAL

• ETHYL ACETATE

APPLICATION :

Provides clean, quick-drying dissolution with low residual odor, making it a preferred solvent for extraction processes and surface coatings.

USAGES :

Used as a fast-evaporating solvent in paints, coatings, adhesives, printing inks, and pharmaceutical manufacturing across packaging, chemical, and consumer goods industries.

• CRUDE PHENOL

APPLICATION :

Supplied in bulk for further refining and downstream processing, supporting large-scale industrial and specialty chemical production.

USAGES :

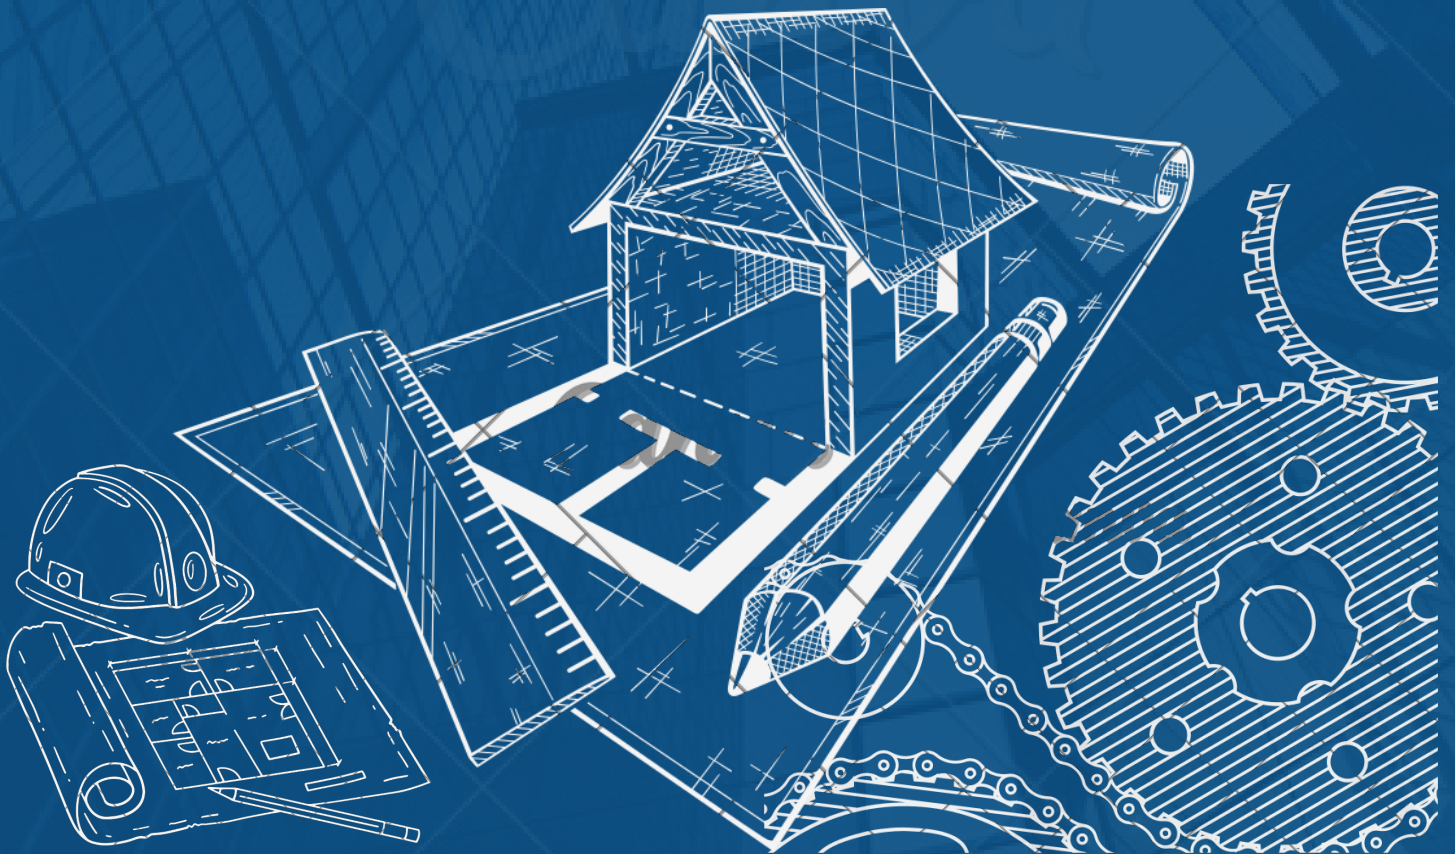

Used as a key raw material in the manufacturing of resins, plastics, disinfectants, and pharmaceutical intermediates across the chemical, construction, and healthcare industries.

INTERGLOBE HERITAGE

Pioneering Industrial Excellence for Generations

Interglobe Original is the foundation of industrial excellence, powering industries with trusted, high-quality products and tools for decades. Built on a legacy of reliability, we are committed to keeping your operations seamless and your success unstoppable. With unmatched dedication and exceptional service, we ensure that your business thrives today, tomorrow, and beyond. Partner with us and experience the strength of tradition combined with the drive for excellence!

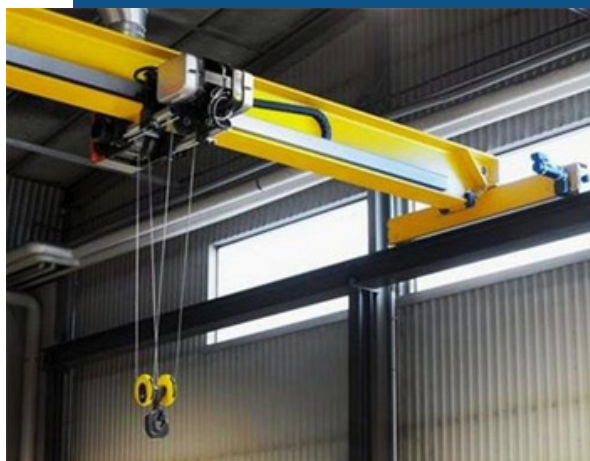

PRODUCT PORTFOLIO

MATERIAL HANDLING

• EOT CRANES

TYPES :

Single Girder EOT Crane., Double Girder EOT Crane., Under-Slung EOT Crane, Explosion-Proof EOT Crane.

APPLICATION :

Plants, warehouses, steel plants, shipyards, railways

USAGES :

Handling and moving heavy loads, machinery, or materials across different locations within the premises.

• FORKLIFT

TYPES :

Counterbalance Forklift, Reach Truck, Pallet Jack (Manual/Electric), Order Picker Forklift.

APPLICATION :

Warehouses, logistics hubs, construction sites, and retail stores.

USAGES :

Lifting, transporting, and stacking goods over short distances.

PRODUCT PORTFOLIO

SAFETY & EARTHMOVING EQUIPMENT

- **SAFETY EQUIPMENTS & ACCESSORIES**

TYPES :

Personal Protective Equipment (PPE) (helmets, gloves, goggles), Fall Protection Systems, Respirators and Breathing Apparatus, Emergency Showers and Eyewash Stations.

APPLICATION : Construction sites, factories, fire-prone areas, chemical plants, and laboratories.

USAGES : Enhancing compliance with workplace safety regulations.

- **DOZER DUMPER**

TYPES : Bulldozer (Crawler/Track and Wheeled), Articulated Dump Trucks, Rigid Haul Dump Trucks.

APPLICATION : Common in mining, construction, and waste management.

USAGES : Moves large quantities of soil, rubble, or waste material efficiently.

PRODUCT PORTFOLIO

COMPRESSORS & LUBRICANTS

• COMPRESSOR

**TYPES :**

Reciprocating Compressor, Rotary Screw Compressor, Centrifugal Compressor, Axial Flow Compressor.

APPLICATION :

Widely used in manufacturing industries, workshops, HVAC systems, and power tools.

USAGES :

Provides compressed air for powering pneumatic tools or machinery.

• OIL & GREASES

TYPES :

Engine Oils (synthetic, semi-synthetic, mineral), Gear Oils and Transmission Fluids, Greases (Lithium, Calcium, Synthetic).

APPLICATION : Found in automotive, industrial machinery, and agricultural equipment.

USAGES : Reduces friction, enhances performance, and extends the life of machinery.

PRODUCT PORTFOLIO

ELECTRICAL & HEATING

- **PANEL BOX**

TYPES :

Main Distribution Panel Box, Sub-Distribution Panel Box, Power Control Center (PCC), Motor Control Center (MCC).

APPLICATION :

Residential, commercial, and industrial setups to house electrical circuits.

USAGES :

Centralizes power distribution while ensuring safety and control.

- **INDUSTRIAL HEATING ELEMENT**

TYPES :

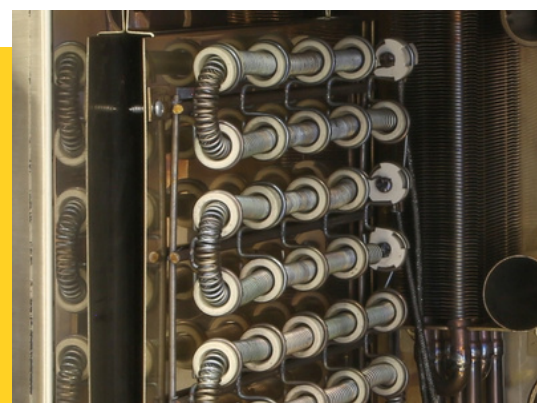

Electric Heaters (immersion, cartridge, tubular), Gas-Fired Heaters, Infrared Heaters, Steam Heaters.

APPLICATION :

Industries, warehouses, and HVAC systems.

USAGES :

Provides heating for processes, equipment, or workspace temperature control.

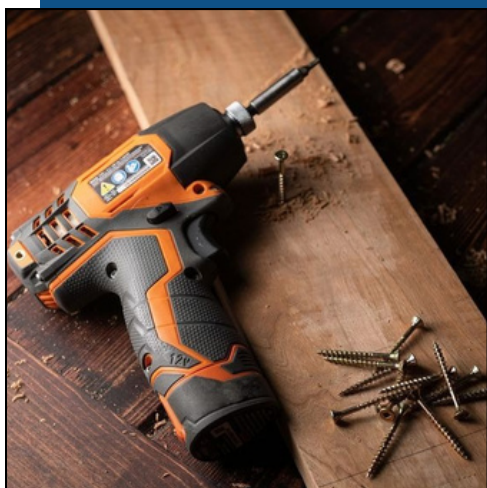

PRODUCT PORTFOLIO

TOOLS & RIGGING

• TOOLS

**TYPES :**

Non- Sparking Tools/ Hand Tools ,
Power Tools , Measuring Tools,
Precision Tools & Tackel

APPLICATION :

Construction, manufacturing,
maintenance, inspection

USAGES :

Perform various tasks such as
fastening, cutting, drilling,
measuring

• LIFTING AND RIGGING EQUIPMENT

TYPES :

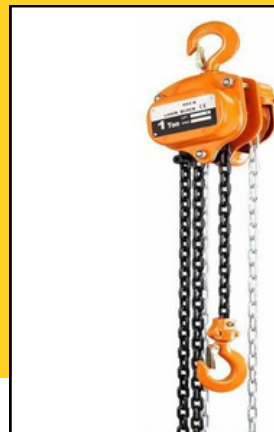

Chains, Wire Ropes, Chain
Pulley Blocks, Roller Chains, EOT
Cranes, Lifting Materials

APPLICATION :

Construction sites, manufacturing
plants, warehouses, shipping
yards

USAGES :

Lifting and moving heavy loads
safely and efficiently

PRODUCT PORTFOLIO

STRUCTURAL MATERIALS & HOSES

• STRUCTURAL MATERIALS (MS & SS)

TYPES :

Mild Steel (MS) and Stainless Steel (SS) beams, angles, channels, plates

APPLICATION :

Construction, infrastructure, manufacturing, automotive

USAGES :

Provide structural support, form frameworks and skeletons of buildings, bridges, machinery

• HOSES

TYPES :

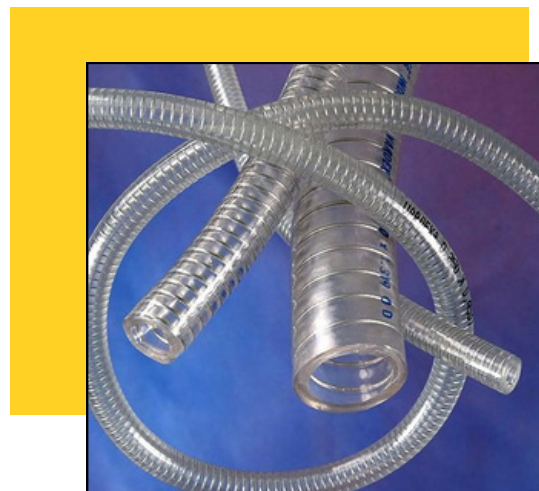

High Pressure Hose/ Hydraulic Hose, Suction Hose, Duct Hose, Rubber Hose Pipe & Fittings

APPLICATION :

Industrial, agricultural, commercial, residential

USAGES :

Transfer of liquids, gases, and slurries; ventilation, dust collection

PRODUCT PORTFOLIO

RUBBER & MOTORS

• RUBBER MATERIALS

TYPES :

Rubber Sheets, Shock Proof Rubber Mats, Oil Seals, Buckets, Materials: Neoprene, Taflon, Silicon, Viton, PU

APPLICATION :

Industrial machinery, electrical insulation, sealing, storage

USAGES :

Insulation, shock absorption, sealing and packing, material storage

• MOTORS AND PUMP

TYPES :

Electric Motors, Hydraulic Pumps, Pneumatic Pumps, Drives

APPLICATION :

Industrial automation, water treatment, agricultural irrigation

USAGES :

Drive mechanical systems, move fluids, provide hydraulic power.

PRODUCT PORTFOLIO

BELTS & FASTENERS

• BELTS

TYPES :

V Belts, Timing Belts, Conveyor Belts, Nylon Rope Belts, PU Belts, Nylon Leather Sandwich Belts

APPLICATION :

Industrial machinery, automotive, packaging, agriculture

USAGES :

Transmit power, convey materials, synchronize mechanical movements

• FASTENERS

TYPES :

HT Bolts, Nuts, Screws, Washers, Rivets, Anchors

APPLICATION :

Construction, manufacturing, automotive, electronics

USAGES :

Secure materials together, provide structural integrity

PRODUCT PORTFOLIO

ELECTRICAL CONTROLS & MEASURING TOOLS

• ELECTRICAL MATERIALS

TYPES :

Switches, Switch Gears, MCB, RCCCB, ELCB, Relays, Sensors, Contactors, Panel Boxes & Spares, Timers

APPLICATION :

Electrical installations, automation systems, power distribution

USAGES :

Control electrical circuits, protect against faults, measure electrical parameters

• MEASURING INSTRUMENTS & TOOLS

TYPES :

Vernier Caliper, Pressure Gauges, Alcohol Tester, Earth Tester/Megger, Vibration Analyser, Moisture Meter, Laser Distance Meter of Miyutoyo & other

APPLICATION :

Quality control, safety inspections, maintenance

USAGES :

Measure dimensions, pressure, alcohol levels, earth resistance, vibrations, moisture content, distances and electric application

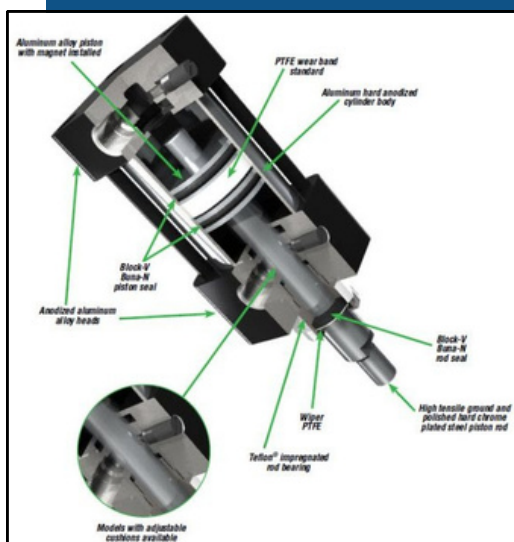

PRODUCT PORTFOLIO

HYDRAULICS & MAGNETS

• HYDRAULIC & PNEUMATIC ITEMS

TYPES :

Hydraulic Cylinders, Pneumatic Actuators, Hoses, Fittings, Valves

APPLICATION :

Industrial automation, construction equipment, manufacturing

USAGES :

Provide hydraulic and pneumatic power, control fluid flow

• MAGNETS

TYPES :

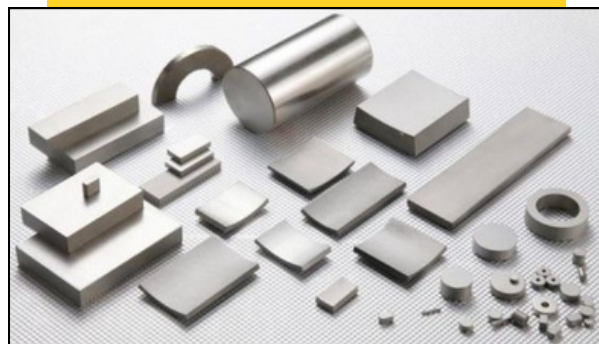

Neodymium Magnets, Samarium-Cobalt Magnets, Ceramic Magnets , Alnico Magnets

APPLICATION :

Motors, aerospace, loudspeakers, sensors,

USAGES :

Provide strong magnetic fields for compact applications and Suitable for high-performance and high-temperature environments.

PRODUCT PORTFOLIO

FIRE SAFETY EQUIPMENT

- FIRE ENGINEERING AND SAFETY EQUIPMENT

TYPES :

Fire Extinguishers (water, foam, CO2, dry chemical), Fire Alarms and Smoke Detectors, Sprinkler Systems, Fire Blankets and Hose Reels.

APPLICATION :

Found in factories, high-rise buildings, oil rigs, and warehouses.

USAGES :

Protects life and property by minimizing fire hazards and enabling quick response.

COLLABORATIONS

INTERGLOBE BUSINESS CONCERN: IT SERVICES COLLABORATION

We have joined forces with **Skytel Services** to deliver a comprehensive range of IT solutions. This collaboration combines Skytel's expertise in hardware installation, server supply and maintenance, software services, networking, security, and surveillance with our established experience in industrial solutions.

In addition to our partnership with Skytel, we also work with other leading IT service providers to offer cutting-edge technology and customized solutions. Together, we ensure seamless integration of hardware, software, and security services that drive operational efficiency, enhance system reliability, and maintain robust security for our clients.

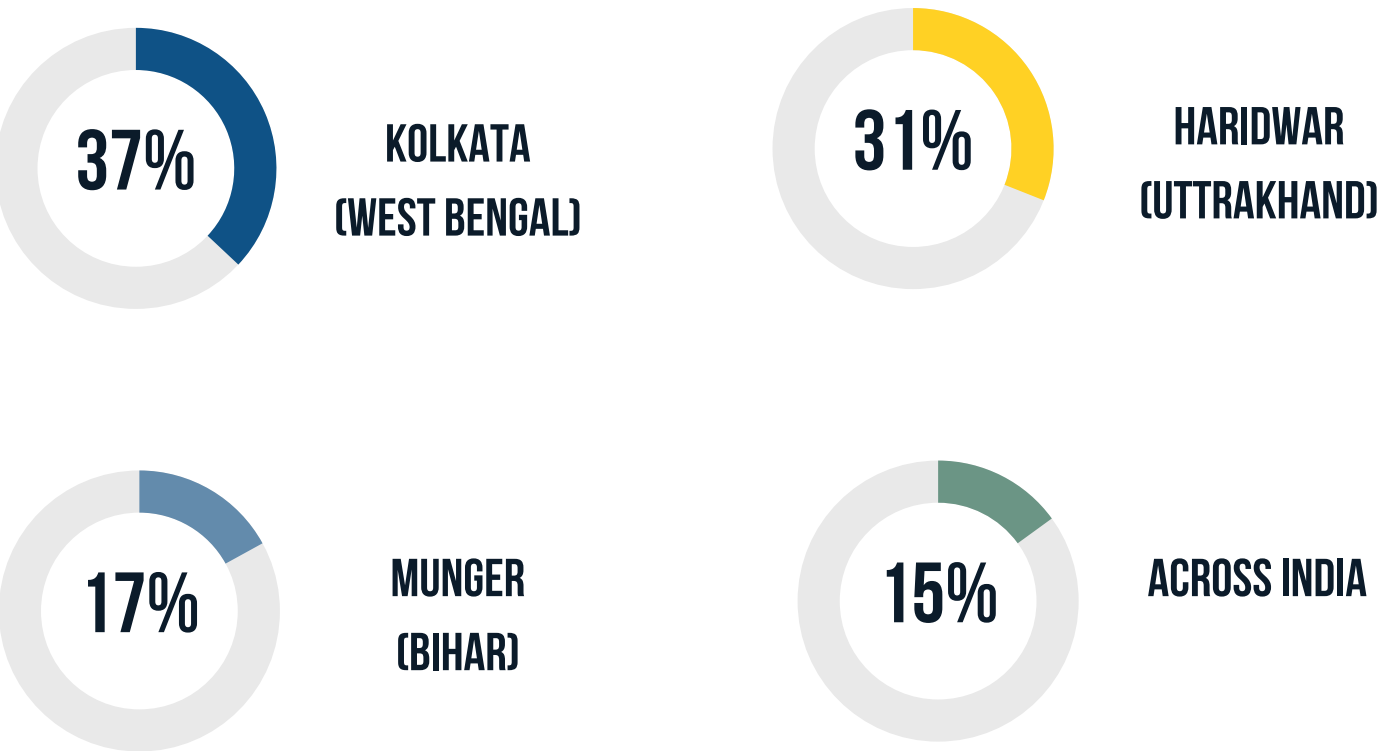

Our goal is to provide end-to-end IT services that meet the dynamic needs of businesses, supporting them with innovative, scalable, and efficient solutions.

MARKET TARGETING

We are strategically situated in **Kolkata, Haridwar, and Munger**. These locations allow us to efficiently serve key market segments and ensure timely delivery and support across various regions.

By understanding and targeting these key market divisions, Interglobe Business Concern positions itself to effectively serve and expand within these critical sectors. Our comprehensive approach ensures that we meet the diverse needs of our clients, driving growth and success in each targeted market segment.

- ***Naveen Kumar Shaw- Marketing Manager and Regional Manager***

- **Experience:** 25 years with IBC, specializing in industrial machinery and precision parts.
- **Clients:** Led numerous projects for clients like Berger, HUL, EMAMI, L & T

- ***Harishankar Singh- Marketing Executive & Area Manager***

- **Experience:** 24 years working with IBC. Extensive knowledge of procurement and good hold on clients
- **Clients:** Led numerous projects in ITC Haridwar and successfully managed key accounts.

- ***Vishal Saha- Marketing Executive and Area Manager***

- **Experience:** 20 years with IBC, handling clients in Munger and Kolkata.
- **Clients:** Implemented innovative solutions for complex electrical setups in various industries like Berger, HUL, EMAMI.

THE PEOPLE BEHIND IBC

SHORT STORY ABOUT SUPER TEAM

- **Deepak Gochhayat- Marketing Executive and Regional Manager**

- **Experience:** 16 years with IBC, focusing on electric and electronic components.
- **Clients:** Implemented innovative solutions for complex electrical setups in RAMCO, Keshoram, and Odhisha Mettalicks.

- **Sudama Shaw- Marketing Executive**

- **Experience:** 18 years with IBC, focusing on electric and electronic components.
- **Clients:** Led numerous projects in ITC Haridwar with the support of the team

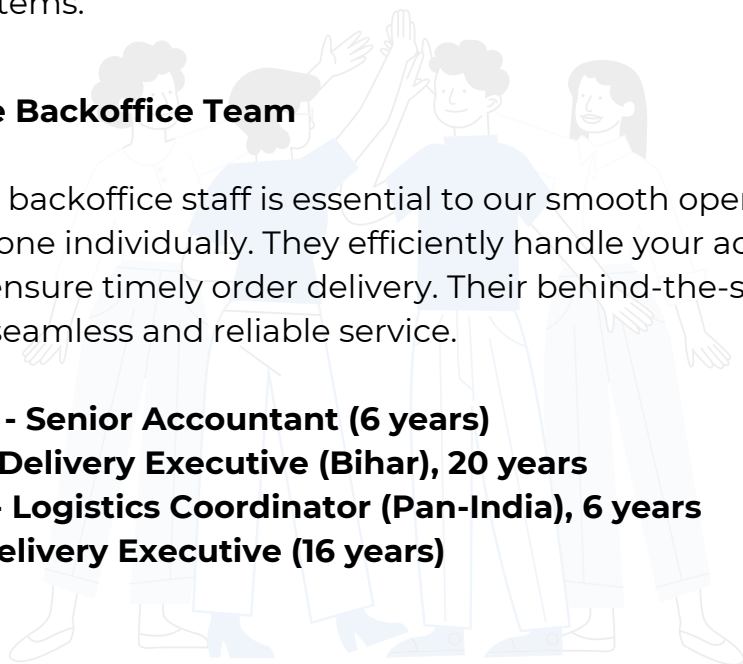

- **Subhangini Bharati- Office Manager, CFO, Import / Exports**

- **Experience:** 8 years with IBC, focusing on importing and exporting electrical & electronics Items.

- **Supportive Backoffice Team**

Our dedicated backoffice staff is essential to our smooth operations, though we can't list everyone individually. They efficiently handle your accounts, manage logistics, and ensure timely order delivery. Their behind-the-scenes efforts are critical to our seamless and reliable service.
